# Electrical Certificate of Compliance and Electrical Safety Certificate

Reference/Certificate ID No: \_\_\_\_\_

This form has been designed to be used by licensed electrical workers to certify that installations or Part installations under **Part 1 or Part 2 of AS/NZS 3000** are safe to be connected to the **specified** system of electrical supply.

### LOCATION AND CONTACT

Location Details: 5 Mathews Avenue      Contact Address: 5 Mathews Avenue  
 Contact Name: Actrol      Postcode: \_\_\_\_\_

Name of Electrical worker: Conno! Downey      Registration/Practising licence number: E278209  
 Organisation/company: Keece Electrical  
 Phone: 021800612      Email: Conno! M. Downey@gmail.com  
 Name of person(s) supervised: Simon Molley, Christian Beaumont

### CoC

- Type of work:       Additions       Alterations       New work  
 The prescribed electrical work is:       Low risk       General       High risk (specify):  
 Reference Standards:       Part 1 of AS/NZS 3000       Part 2 of AS/NZS 3000  
 Additional Standards: \_\_\_\_\_

Description of work: (including date/s of work and type of supply system)  
- Full prewire and fit off in tenancy A  
- Installed sub mains to tenancy A

I certify that the completed prescribed electrical work to which this Certificate of Compliance applies has been done lawfully and safely, and the information in the certificate is correct in that the installation, or part of the installation:

Select those that apply:

- Has been installed in accordance with the specified certified design<sup>1</sup>
- Has an earthing system that is correctly rated (where applicable)
- Contains fittings that are safe to connect to a power supply
- Relies on a supplier Declaration of Conformity<sup>1</sup>
- Has been satisfactorily tested in accordance with the Electricity (Safety) Regulations 2010
- Is safe to connect

| Test Results                  |                                     |
|-------------------------------|-------------------------------------|
| Polarity (Independent earth): | <input checked="" type="checkbox"/> |
| Insulation resistance:        | R=0L W=0L<br>B=0L                   |
| Earth Continuity:             | 0.03                                |
| Bonding:                      | 0.04                                |
| Fault Loop Impedance:         | R=0.17 W=0.17<br>B=0.17             |
| Other (specify):              |                                     |
